

# CZONE® TOUCH 5

5 INCH TOUCH SCREEN WITH BUILT IN WIFI

The sleek new Touch 5 adds a compact touch screen option to your CZone® installation. While offering many of the same features as it's bigger brother the Touch 10, this new display module adds Wifi connectivity as well as the higher specification IPX7 waterproofing. With a super bright widescreen display and the latest capacitive touchscreen technology, this compact unit is perfect for a flybridge or exposed helm position. It also suits smaller vessels where space is at a premium, or on larger vessels as a secondary display in an owner's cabin or engine room.

## Features and Benefits

- Easy to use touch interface
- Glass dash styling
- Super bright widescreen display
- Low profile flush mounting
- IPX7 water ingress protection
- Built-in WiFi connectivity
- Micro SD Card Slot
- NMEA 2000 compatible
